## JOHN OLIVIER, PE

TITLE President | OFFICE Irvine, CA

With over 25 years of experience, John's background includes a wealth of civil engineering design experience, including urban, mixed-use, infill and complex entitlement projects. Additionally, he has worked directly for public agencies such as the City of Irvine and the Anaheim Redevelopment Agency. John has worked throughout Southern California but focuses his efforts on Los Angeles and Orange County.

John also excels at multi-family residential and master-planned communities and has been lead engineer on landmark developments such as Woodbury East for the Irvine Company, the Orange County Great Park for the City of Irvine and Newport Banning Ranch. John's notable clients include The Related Companies, Brookfield Homes, Brooks Street, NMS Properties, Standard Pacific, The Irvine Company, Gatehouse Capital and Shea Homes. John is a strong civil team leader and easily fits into complex project team structures. Through his strong communication skills he develops excellent working relationships with clients and other team members to keep the project moving on schedule and on budget.

As firm President, John has the responsibility of driving client satisfaction by providing leadership and support to the various studios.
