## CRAIG WATSON, PE

TITLE Project Manager | OFFICE San Diego, CA

A very proficient and meticulous Project Manager, Craig has over 12 years of experience in the civil engineering field. As a Project Manager, Craig leads a team of civil engineers with a broad range of experience in residential development projects. Craig has proven to be a very capable team leader, known for his outstanding technical ability and meticulous attention to detail. A result-focused professional who is both budget conscious and resourceful, Craig fosters trust and credibility with clients. His in-depth knowledge of local, county and state regulatory and permitting requirements has made him a valuable asset for Fuscon Engineering and the clients he services.

Key projects include:

- ✓ Sweetwater Vistas, County of San Diego
- ✓ Palomar Commons Retail Center, Carlsbad
- ✓ The Cross Border Xpress, San Diego
- ✓ San Ysidro Seniors Village, San Diego
- ✓ Kearny High School Athletic CTE, San Diego
- ✓ Mira Mesa High School Athletic Fields, San Diego
- ✓ Brookfield's Rancho Coronado South, San Diego

Craig has coordinated civil scopes and budgets works directly with governing agencies, subconsultants, clients and contractors. Additionally, he has provided construction support services for surveyors and contractors.

FEI TEAM MEMBER SINCE 2007
